

FISCAL NOTE

SB 1008 - HB 1606

March 27, 2003

SUMMARY OF BILL: Specifies that when a handgun carry permit expires prior to the Department of Safety's approval or denial of a renewal application the permit holder may continue to use the expired permit as long as they can display a receipt for the renewal application fee. Current law specifies that such receipt must show that the renewal application was delivered to the Department prior to the expiration of the permit.

ESTIMATED FISCAL IMPACT:

MINIMAL

Estimate assumes other provisions requiring renewal application prior to expiration of the permit (T.C.A. 39-17-1351 - first sentence) would still apply and that provisions of the bill would not affect the collection of renewal fees.
